A JEWELLERY COLLECTION ABOUT ANCESTRAL CULTURES & SACRED PORTALS ON EARTH.

BRINGING BACK OUR ANCESTRAL CULTURES...

It is very important to continue the true and coherent relationship that we humans can have with ourselves and with nature. Also the relationship with the wisdom that our ancestors left us to build a new society from now on.

We can continue to expand our consciousness through the knowledge they left us, keeping ourselves more connected with who we are in essence.

It is through rituals, symbols, constructions, music, knowledge, and the energy from each culture, that we can raise the planet's frequency again.

ABOUT SACRED PORTALS

Sacred portals **have a high frequency of energy and consciousness** and were inhabited by our ancestors.

These places have great buildings and much wisdom anchored through their journeys and Eras of humanity. They are connected to the **Earth's Cosmic Grid** and maintain the planet's frequency and consciousness as we preserve its history, rituals and wisdom.

These are some of the main sacred portals around the world and their connections.

MY EXPERIENCE...

"One of my biggest achievements since I founded Emana Project was traveling the world knowing cultures and bringing their wisdom through the teachings I apply in courses, workshops and also documentaries, and other aspects that I could demonstrate the beauty and essence of civilizations that left us so many memories and awareness."

RAPA NUI CULTURE...

The Rapa Nui culture originates from Easter Island, which is now part of Chile (South America). The Rapa Nui bring the essence of Lemuria and superconscious beings and tell about their origin through the stars: the Pleiades.

The locals built the **Moais, guardian beings of the Island, present everywhere in the region.** The Moai and other sacred portals of the island, represent the energy of the planet's womb, the connection with the stars, beings from other planets, and the strong spirituality present in all of them.

Dance rituals, knowledge of medicine through plants, and other ways of being connected with nature, bring the magic of this beautiful and isolated island in the Pacific Ocean.

"IN 2018, I TRAVELED WITH MY GREAT FRIEND (PHOTOGRAPHER AND FILMMAKER MARILIA APOLONIO) TO EASTER ISLAND WHERE WE DOCUMENTED THE EXPEDITION OF KRYON (LEE CARROLL) AND HIS TEAM, VISITED THE SACRED PORTAL RAPA NUI AND TALKED WITH THE SHAMAN PAO ABOUT THE CULTURE AND ITS STORIES. WHICH WAS ONE OF THE MOST SPECIAL EXPERIENCES ON THIS TRIP.

I RECEIVED FROM PAO AN AMULET WITH A DRAWING MADE BY HIM, IN THE SHAPE OF A WOMB (AT A TIME WHEN I WAS HEALING AN OLD TRAUMA WITH AN ILLNESS I HAD IN THE UTERUS). IN ADDITION TO THIS EXPERIENCE HAVING KNOWN MORE ABOUT THE MOAIS AND THE STRENGTH OF THESE MILLENNARY CONSTRUCTIONS.

THE DOCUMENTARY WAS READY IN 2019, AND IT WAS PRESENTED IN A MOVIE THEATER IN SÃO PAULO (BR)."
